

Parcours International management and sustainability

Master Management

Composante
Institut
d'Administration
des Entreprises

Langue(s)
d'enseignement
Anglais

Présentation

The Master Global and Sustainable Management is a program that provides specific managerial knowledge to handle environmental and societal transitions.

Objectifs

Understand the issues related to environmental and societal transitions and lead a global management strategy. Develop practical management skills for environmental and social transitions in organizations. Master the transversal and international vision of organizations to work in cross-cultural environment companies.

Capacité d'accueil globale : 15 étudiants

Les + de la formation

A fully English-taught program. Possibility to choose between research and professionalization in M2.

Organisation

Contrôle des connaissances

Courses are evaluated either with continuous evaluation throughout a semester, or with final exams scheduled during a dedicated week in December for Semester 1 and in May for Semester 2.

Stages

Stage à l'étranger : Possible

Durée du stage à l'étranger : 6 months

Stages et projets tutorés :

Admission

Conditions d'accès

Access to the GSM Master is conditioned to the validation of an application file on the plateforme ecandidat : <https://ecandidat.u-bourgogne.fr/>

The Payment of the 3500 euros special fees is mandatory to access the Master.

Direct access to M2 is possible.

Modalités de candidatures

Candidates, regardless of their country of residence, must apply on ecandidat, from March 15 to May 15 2025 : <https://ecandidat.u-bourgogne.fr/ecandidat/#!accueilView>

Public cible

Candidates to the GSM Master should not have a background in Management or Business Administration, except if they are applying directly for M2.

Candidates from various fields of study such as Humanities, Engineering, Arts, Political Sciences etc. can apply.

Droits de scolarité

Special fees : 3500 euros per year

National fees : 253 euros per year

CVEC : 103 euros per year

Attendus / Pré-requis

French and European candidates should hold 180 ECTS credits (to access M1) or 240 ECTS credits (to access M2) in Social Sciences or other disciplines non-related to Management.

For non-European candidates, a bachelor degree is required, and prior studies will necessarily be examined and validated by a university committee.

A good level of English (B2 minimum) is required. A university committee will examine:

- the applicant's previous university results (quality, homogeneity, regularity, distinctions, etc.)
- the applicant's motivation for an international program

- the coherence between the program and the applicant's career plan

Candidates with a good level of French are more likely to be accepted.

Et après

Débouchés professionnels

Students will find managerial positions in an international environment in the general fields of marketing, international economics, finance, human resources management. Students who had followed the option research in sustainability could also enter directly a PhD-program after the GSM.

Programme

Organisation

Classes are entirely taught in English and students have the opportunity to learn French language and civilization at the same time. Class size is purposely limited which makes courses very dialogue driven, and all faculty members are accessible to participants. Students coming from partner universities can follow just one semester of the program. The second semester of the M2 has two options :

PROFESSIONAL INTERNSHIP (A 6 months internship in a company in France or abroad) RESEARCH (A research dissertation and the option to continue as PhD student).

Master 1

Semestre 1
